From the Principal's Desk

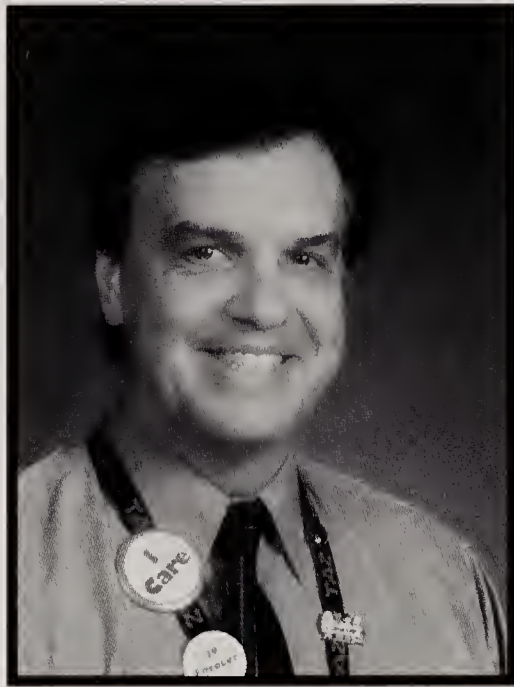

High school graduation is a special time that marks a significant event in your life. Each of you can be proud of your accomplishments in the classroom during the past twelve years that brought you to this time. I know that you have dreams about what you want to become and who you want to be. Your class motto, "The future belongs to those who believe in the beauty of their dreams." (Eleanor Roosevelt), is a statement that I hope will be a guiding force as you move down the next pathway in life. Your generation has exciting opportunities and great challenges: if you believe in yourself and dedicate yourself, your dreams can come true. Set your sights, develop that course and then follow that dream. That future will belong to you.

My congratulations and best wishes as you leave here to pursue your dreams.

Sincerely,
Robert A. Johnson

Dedication

The cast of Production '03 would like to dedicate their performance to their director, Mr. Joseph Cezus. Mr. Cezus has helped the cast throughout the entire production. He was there when we were just learning our lines and helped us make it through long tedious rehearsals. He showed us how to familiarize ourselves with our roles and how to gain support from our sponsors. He showed us tricks that would help us raise money to fund the production, making it a huge success. Without him, our production may have been shelved long before we started rehearsing.

In addition, Mr. Cezus has always believed in the beauty of our dreams. He has helped us turn many of our dreams into realities throughout our four-year production. Our future roles will be as varied as our cast, but our first performance will always remain emblazoned in our memories.

Thank you, Mr. Cezus for helping to make this production such a success!

Class Motto

"The future belongs to those who believe
in the beauty of their dreams."

Class History

The Class of 2003 is proud to announce the release of its latest production, "Return to East Windsor High School," directed by the extraordinary Steven "Joe Cezus" Spielberg and assisted by the magnificent Barbara Bowman and amazing Catherine Kotula. Starring as the main character is Will Schick with the understudy for this dynamic part being Shannon Page. Other key cast members include: Arsalan Altaf, Katrina Francis, April Gonzalez, Julie Lech, Eric Nilsson, Sue Romanowski, Emily Simmons, Erin Stoecker, Julie Tetreault, and last, but not least, backer, Kacie Wittke. In the production, Will leads his fellow cast members through a variety of events through their experiences at East Windsor High School.

In the first act of the production, the inexperienced cast joined together to build a bountiful treasury by selling flowers on St. Patrick's Day and penny candy at Community Day. Kacie Wittke took the reins in this endeavor, keeping a close eye on what they earned.

Act II begins with the purchasing of the class rings and with the assistance of the ring company, many cast members came away with memories to last a lifetime. In scene two of act two the cast set out yet again to build a more plentiful treasury through candy sales. The act ends with the start of blueprints for the junior prom to be held at the Sheraton Hotel.

During intermission, Will jetted away to Korea. Understudy, Shannon Page took over his lead role. Sensational Act III was slow moving to start, but quickly picked up pace due to the bimonthly newsletter compiled by Erin Stoecker. In Scene II of the act ideas for the prom began to build up and take shape. In a desire for more money, the cast took part by sponsoring a nacho sale at the East Windsor Annual Community Day. The final plans for the junior prom went into motion on May 17th, 2002. The prom was truly a Mardi Gras celebration! All that attended walked away with an abundance of gifts to forever treasure. After the excitement of the prom died down, the cast members went back to work with the tedious tasks of putting together a banner, the longest banner ever made in East Windsor banner history, a gift for their graduating role models.

Act IV started off with a bang! The cast members went on a selling spree of magazines in an attempt to make a goal, which they eventually surpassed by \$3,000. All the cast members joined together for a fun-filled day on their class outing. The next week, the cast members gathered for one last function, their senior banquet. It really was a "Night in Paradise" and another memory that will last a lifetime. The production ended on a grand note with a curtain call in the form of graduation. The audience gave the '03 cast a standing ovation and they departed for their Graduate and Celebrate cast party. The memories of this production will remain in the hearts and minds of both the cast members and the audience, forever.

"The only disability in life is a bad attitude." First, I would like to thank God for guiding me through life and enabling me to reach the peak I stand at now. I also want to thank my sister, Aliyah, who is my inspiration that keeps me going everyday. When I first came to this school from Windsor I didn't believe that I would enjoy it here and unfortunately my prediction was right. I can't wait to graduate and move on to the better things life has to offer.

I'm going to miss East Windsor. I wish the best of luck to my brother Coty and a special thanks to Mr. Schneid for the shop time and to Mr. Thomas for the extra gym time. To Dave, Anthony, Steve and Jay. I'm going to miss U guys. We have a long road ahead and I would not have been able to get this far without U guys. A special shout out to Jon Prouse, hope U are having fun in the Marines and good luck in the firefighting, hope to get a handline with U someday.

What I will remember the most about East Windsor High is how much I did not want to come here. I saw it as some unknown school in an unknown town, it sort of is. But after a while it really started to grow on me. It did not take long for me and other choice students to make friends here. Even though I would not want to move out here or anything, I will miss the times I spent here and hope that I have left my mark on it and my friends.

Ambition Pays Off - HIGH SCHOOL Athlete of the Week

Vermes wins first for East Windsor: East Windsor's Jason Vermes will get the banner on the gymnasium wall he has dreamed about.
 Vermes, a senior, beat Ian Kessler 4-2 in the 112 final to become the first wrestler from East Windsor to win and Open championship.

East Windsor senior Jason Vermes has impressed his coach with his dedication to his role of captain.

Worth his weight

Greg Wright scored two touchdowns and led Ellington with 84 yards rushing on five carries and had one catch for 55 yards.

East Windsor finished 13th with 73.5 points. Nicholas Cascone of East Windsor was sixth at 135 pounds and Peter Okrasa was fifth in the 171-pound class.

Farewell

*The Epilogue
The Last Act to 2003...*

Now that all of the parts have been rehearsed and played out, the Director and his producers wish a warm, fond farewell to the Class of 2003.

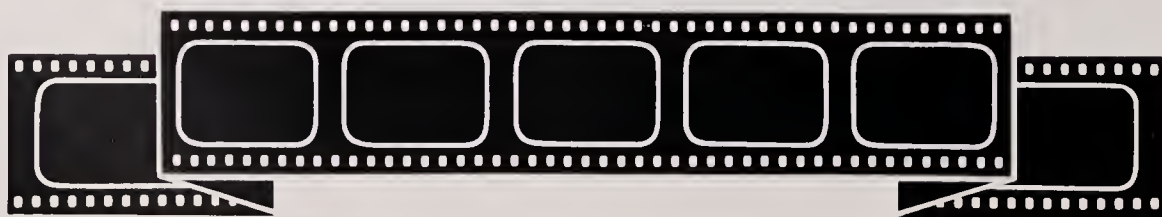

The cast has done a superb job earning credits and making the necessary money through fundraising to get the Class of 2003 off the ground. Every fledging actor and actress in the class has met their marks, completing a four year rehearsal for the "Real World".

We laughed, we cried, but through all of the mandatory script readings and late night rehearsals, you, the Class of 2003, proved to us that you are now ready for the next act on Broadway, USA.

With best wishes, we, the members of the Academy, hope that all of you realize your full potential and that you get your star on the "Walk of Fame".

Fondest wishes from:

*Director Cezus, Producer Bowman, Associate Producer Kotula
& Stage Manager Malin.*

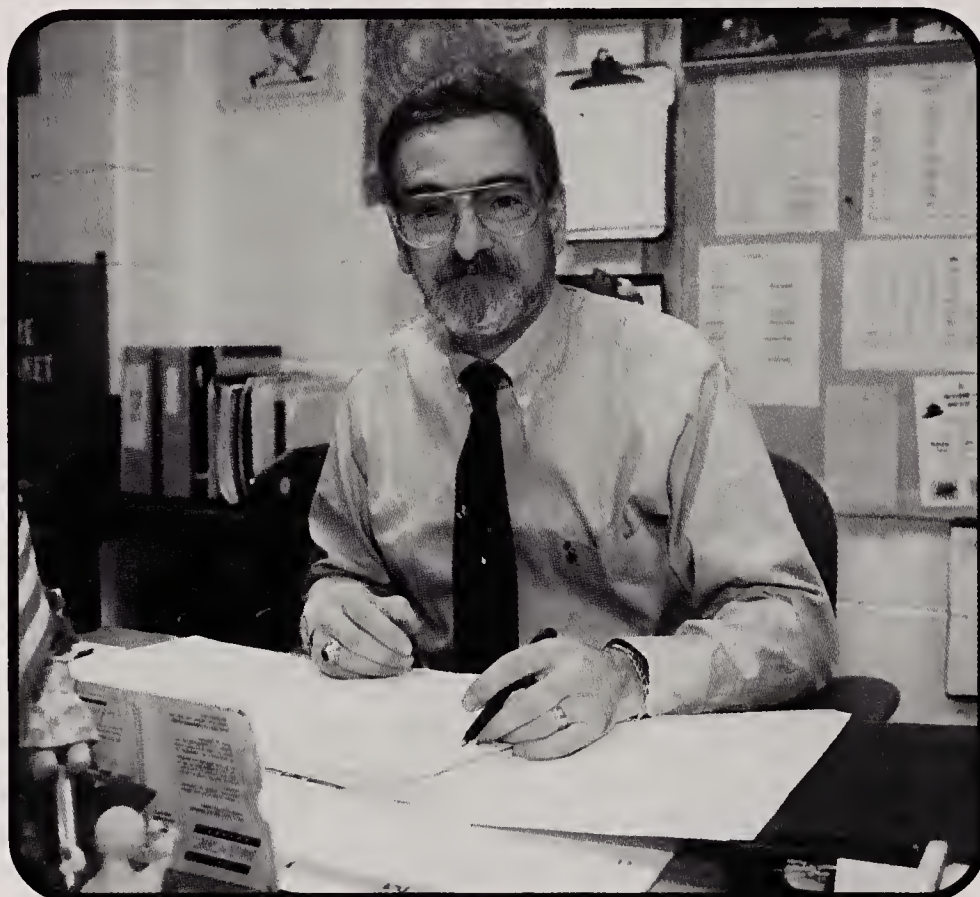

The world seldom notices
who the teachers are;
but civilization depends on
what they do
and what they say.

Best Wishes!
Mrs. Bowman, Mr. Organek, Mrs. White & Mr. Patrick

With Fondest Memories

We will really miss you!

The Leo Club is an official activity of the Lions Clubs International that encourages young men and women to serve others in the community and around the world.

The East Windsor Leo Club began in September 2001 and has been active in community fundraisers, assisting children in Afganistan and supporting the Red Cross Blood Drives. The Leo's are preparing a local band concert with upcoming local rock groups that will raise money for the training and purchase of a community "service dog" that will assist handicapped persons in town.

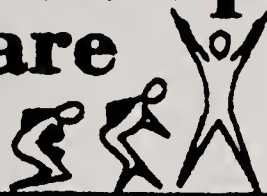

Leo Clubs include regular meetings, projects and social functions. The Leo motto—Leadership, Experience, Opportunity—is fulfilled as members work together in response to the needs of others. There are presently 53 active Leo Club members in the East Windsor branch.

Sports TV Science Movies News Music Trends

Music

From hip-hop to electronica, pop to rock, no one musical genre dominated the airwaves and headphones of America. The year saw new albums from Moby, Red Hot Chili Peppers, Eminem, Leann Rimes and many more. Kelly Clarkson's career as a chanteuse took off, Lance Bass was grounded as a cosmonaut, Ozzy showed why he's an iron man, and Triumph marked his territory at the VMAs.

Forget East Coast vs. West Coast

It's rapper versus puppet as Triumph the Insult Comic Dog has a run-in with Eminem's posse on MTV's Video Music Awards.

Britney not so caliente

The divine Miss Spears is booed in Mexico City after she bails her concert just four songs in.

Still red hot
Flea and Anthony continue to assault eardrums and find creative uses for socks on the new Chili Peppers album, "By the Way."

Don't tell Elvis...

Kelly Clarkson becomes the first "American Idol" and hits #1 on the Billboard singles chart.

Bye bye bye!

Lance Bass trains to become the first member of a boy band in orbit. But when he fails to pony up the \$20 million fee, the Russians say "nyet!" and send him home.

Something to Crow about

Sheryl Crow performs at the One World, One Child Benefit Concert in Beverly Hills.

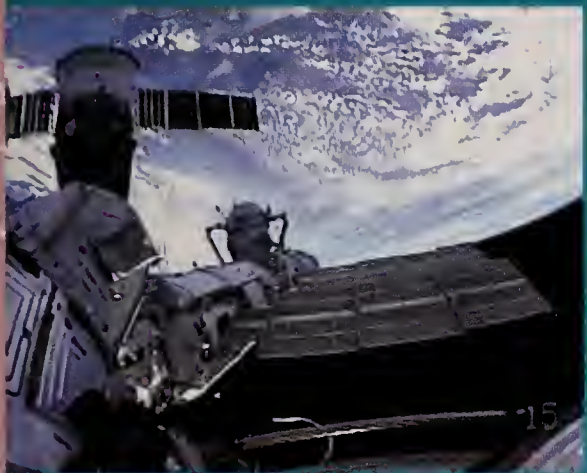

Zebra, king of the ocean?
Scientists discover that great white sharks are repelled by zebra striping.

Science

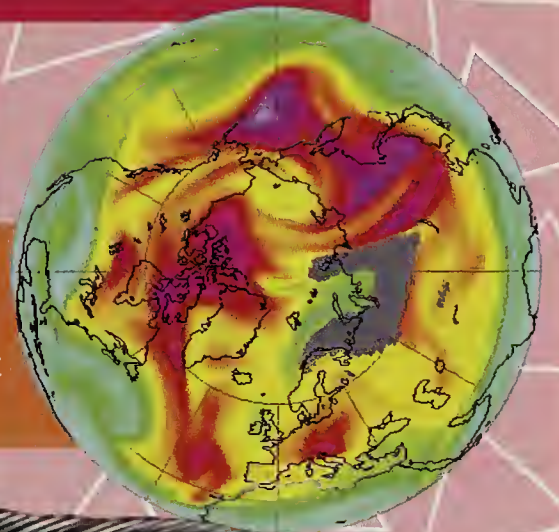

The past year might be remembered as the one in which science fiction met science fact. Our good friends in the white lab coats discovered that dogs could count, fish could walk, and sharks really wanted nothing to do with zebras. Who knew? Humans made a few headlines as well, with balloonist Steve Fossett circling the globe at several thousand feet and the space station crew circling it just a bit higher.

Around the world in 14 days
After some 21,000 miles and two weeks aloft, Steve Fossett becomes the first person to circumnavigate the globe in a balloon.

A long way for pizza delivery
The International Space Station receives its fifth three-person crew, who live and work in orbit for four straight months.

Well, that's disturbing
Meteorologists discover that the Antarctic ozone hole has divided into two parts that are spreading away from each other.

The dog did my homework
Researchers at UC-Davis theorize that dogs have basic math skills, including the ability to count. No word on differential calculus.

That's even more disturbing
The snakehead, a.k.a. the "Frankenfish", is discovered in eight U.S. states. The Chinese fish can walk on land and decimate native ecosystems.

Walk like an Egyptian

Scientists employ a camera-toting robot to enter a previously inaccessible secret chamber of Egypt's Great Pyramid.

Trends

Styles past and future, cheap and chic blended to make the year interesting for the trend-conscious. Denim made a comeback for the 287th time in history, while new electronic devices offered functionality that James Bond would envy. Not to mention that the modern look of Starck and Oldham hit traditional department stores, surfers hit suburbia, and lots of teen girls happily got mud on their faces.

Who cares if we live in Ohio? Surf/skate fashion is cool, with brands such as Ezekiel, Hurley, and BC Ethic making a big splash on the half-pipe.

It's, like, totally exfoliating! Seventeen magazine opens its first spa dedicated exclusively to teens just outside of Dallas, Texas. www.seventeenspa.com

Feeling blue?

Denim is in, from jean jackets to hip-huggers, hats to handbags.

Fire up those synapses

Gaming goes to the next level with Gamester's massively customizable Xbox Reflex Arcade Stick.

You will be integrated

High-tech worlds converge as new devices blend capabilities of the cell phone, MP3 player, camera, and PDA.

It's pronounced "Tar-zhay"

International designers Todd Oldham and Philippe Starck bring their unique looks to products at Target.

Television

Simon says...

Kelly Clarkson, Justin Guarini, and Nikki McKibbin vie for the top spot on "American Idol: The Search for a Superstar."

Bell-bottoms, bell-bottoms everywhere...

The Fox hit "That 70s Show" celebrates its 100th episode with a flurry of polyester and feathered hair.

The blue light continued to mesmerize viewers with lots of big departures, epic celebrations, and naughty puppets. The cast of "Friends" waved so long to their \$1-million-per-episode contracts (or did they?), while "SNL" lost its #1 George Dubya impersonator. NBC dominated the Emmy Awards, Fox dominated the market for Comedies Set Three Decades Ago, and "Crank Yankers" made us all afraid to pick up that phone call.

Bad puppet! Bad, bad, puppet!

Never let a puppet use your calling card — "Crank Yankers" debuts on Comedy Central.

Gimme an L! Gimme an A T E R!

Will Farrell jumps the "SNL" ship and takes his cheerleader sweater with him. Let's hope it's not for "Another Night at the Roxbury."

The Emmy Awards

Conan O'Brien hosts as NBC wins big with 24 awards, including nods to "Friends" and "The West Wing."

Friends no more?

Joey, Rachel, and the rest of the "Friends" weigh whether to return for one more season of their insanely successful show.

News

EVOTEE

America spent much of the year remembering those lost in last year's terrorist attacks and studying ways to bolster national security. Congress and President Bush debated responses to the Israeli-Palestinian conflict and allegations that Iraqi leader Saddam Hussein was building weapons of mass destruction. Meanwhile, forest fires raged across Arizona and other states, threatening thousands of homes and millions of acres of parkland.

Election 2002

Republicans keep control of the House and regain the Senate, while the Democrats pick up additional gubernatorial offices.

Sniper suspects

Police apprehend John Allen Muhammad and John Lee Malvo and charge them with killing ten people in the Washington, D.C., area.

National tragedy

Space Shuttle Columbia launches on a tragic mission. All seven crew members are lost after the vehicle disintegrates upon re-entry. February 1, 2003

E3

The world's foremost video-game developers test-drive the hottest titles before they hit the shelves at L.A.'s Electronic Entertainment Expo.

When good Jedis go bad
 "Star Wars Episode II: Attack of the Clones" continues the saga of Anakin Skywalker's fall to the dark side.

"The Two Towers"
 Elijah Woods is back with furry feet and dangerous cargo in the second installment of "The Lord of the Rings" trilogy.

Movies

The word in Hollywood? Sequels. Samuel L. Jackson and a digitized Yoda drew their light sabers for "Star Wars Episode II," while the fellowship continued its dangerous mission in the follow-up to "The Lord of the Rings." Will and Tommy Lee kept the universe safe for another summer as Mike Myers went for another groovalicious turn as Austin Powers. There were also a few original flicks, including a sci-fi thriller from Steven Spielberg and new creepiness from the director of "The Sixth Sense" and "Unbreakable."

Do you see the "Signs?"
 Mel Gibson stars in M. Night Shyamalan's imaginative tale of crop circles and little green men.

Bourne clueless

Matt Damon battles amnesia and bad men with guns in "The Bourne Identity."

Prelude to a pre-crime
 Tom Cruise must prove his innocence in Steven Spielberg's "Minority Report."

Once bitten...
 As "Spider-man," Tobey Maguire discovers that with friends like Willem Dafoe, you really don't need enemies.

Back in black
 Will Smith and Tommy Lee Jones suit up to save the planet...again... in "Men in Black II."

Oh, behave!
 Mike Myers and Beyonce Knowles get their retro groove on for the third Austin Powers movie, "Goldmember."

Sports

It was another big year for world and U.S. sports. Fans across the globe stayed up late, got up early, and tuned in to live broadcasts of the World Cup from Japan and Korea. Ronaldo helped Brazil hoist the Copa Mundial after a disappointing loss to France four years earlier. Americans had their fair share of epic victories as well, with Lance rolling through the Champs-Élysées ahead of his European rivals and Serena Williams dominating the world tennis scene.

Trauma centers on alert

Gravity...and the human instinct for self-preservation...are defied once again as the X-Games roll onto ESPN.

No strikes, just strikeouts

Major League Baseball avoids a strike while the Anaheim Angels beat the S.F. Giants in 7 games to win the World Series.

Sibling rivalry

The Williams sisters take the #1 and #2 spots in world tennis rankings.

The L.A. Lakers earn their third set of championship rings in as many years.

Brazil captures its sixth World Cup title, while the United States advances to the quarterfinals by beating Mexico.
